

Hello! We look forward to your upcoming visit to Lawrence Berkeley National Laboratory. Below you will find a list of recommended hotels for your convenience.

Due to a high volume of reservations in Berkeley the week of April 8th, we are highly recommending that you make reservations at the [Courtyard by Marriott in Emeryville](#). We will be providing a private shuttle service that will pick up guests from the Courtyard and transport them directly to and from Berkeley Lab.

Additionally, we recommend contacting the Berkeley Lab Guest House for any remaining availability, as they are mostly full for this date as well. The Guest House is located directly on Berkeley Lab's campus, and will save you much time with regards to transportation.

If you choose to book at a Downtown Berkeley location (Hotel Shattuck, Graduate Berkeley, Sens Hotel, Downtown Berkeley Inn), you can take a Berkeley Lab Blue Uphill or Orange Route shuttle to the Lab by showing your site access pass when you board. [Shuttle routes and times can be found here](#). The best stop to get a shuttle from is the Downtown Berkeley stop located at the corner of Shattuck and Addison, across the street from the Downtown Berkeley BART station.
