

YOU ARE INVITED TO THE FIRST *HOUSTON GREEN OFFICE CHALLENGE*
COMMUNITY PARTNER MEETING

The Houston Green Office Challenge has generated more than 200 participants that are so committed to greening their workplaces, they are willing to compete with others.

This phenomenal contest has many components to it, including a community education opportunity that has never before been presented to Houston environmental organizations and supporters.

You are being invited to discuss how community organizations and environmental non-profits can work together to help make the Green Office Challenge improve workplaces and Houston employees.

On behalf of the Houston Green Office Challenge, the U.S. Green Building Council-Texas Gulf Coast Chapter is inviting you to attend brown bag luncheon meeting at 11:30 a.m. December 2 at 8 Greenway Plaza Conference Center.

At this event, you will meet other Community Partners and representatives from the Green Office Challenge will work through a facilitate discussion to leverage participation.

We hope that by discussing possibilities for co-sponsored events, volunteer opportunities and other issues, we will create innovative ways to improve the success of the green movement in the City of Houston.

Please RSVP by clicking on the link below. You will receive meeting materials a few days before the event.

For more information, call Samantha Serna at 281-506-3867.

Do green and change the world,
